

ON-SITE RAPID COVID TESTING SERVICES

## ABOUT US

**THE EVENT DOC** is the 1st fully licensed Covid testing company focused on the event industry. Our team consists of some of the leading experts in the event industry paired with some of the leading medical professionals in the Covid testing field.

## THE PROCESS

**STEP 1** Your guests receive a pre-approved email containing all the information needed to sign up for their on-site covid test.

**STEP 2** Your guests arrive at venue at a pre-scheduled time to be tested. Your guests are greeted by our friendly staff and within minutes are processed for their test with our medical team.

**STEP 3** Your guests wait in a comfortable waiting area for up to 15 minutes for their results.

**STEP 4** Your guests join the event once a negative test is confirmed.

## OUR TEAM

**OUR TEAM USES** two separate rapid tests. Both have been approved by the FDA.

**OUR ON-SITE TEAM** will always have a board and CLIA certified medical doctor complimented with licensed medical staff conducting all testing procedures.

**THE EVENT DOC BOARD** consists of some of the leaders within the event industry coupled with esteemed certified medical professionals.
